

The Bionic Shield is a revolutionary face shield. Designed for rugged jobs, it's tough where it has to be, yet extremely lightweight and balanced for all-day comfort. Its technologically advanced design enables the Bionic Shield to more easily stand up to airborne debris, splash and welding infrared radiation. Highly adjustable, with an easily replaceable visor, the Bionic Shield is the face shield workers want to wear.

FACE SHIELD

Bionic[®] Shield

Bionic[®] Shield

Superior Protection

- Full shield design provides built-in chin protection and extended top-of-head coverage for enhanced protection from airborne debris
- Perfect for workers exposed to falling or flying objects, impact, chemical splash, and airborne debris*
- Excellent optics provide increased visibility
- 100% dielectric — no metal parts
- Meets ANSI Z87.1-2003 (High Impact) and CSA Z94.3 standards

Ultimate Comfort

- Lightweight, balanced, ergonomic design for extended use
- Dual position headgear provides a customizable fit
- Comfortable cell foam on back of headgear
- Breathable, removable, washable headband
- Comfortably worn with most goggles and respirators
- 2,784 possible adjustment positions

Cost-of-Ownership Value

- Easily replaceable visor allows for multiple visor tints and extends the life of the shield
- Hard hat accessory (dielectric) expands face shield use and is compatible with multiple hard hats, including Sperian[®] brand and most other major manufacturers' styles

Highly adjustable headgear tilts visor nearer or farther from face depending on preference and application.

Easy-to-set, ratcheting headgear locking mechanism assures comfortable, secure fit.

Shell offers built-in chin protection and extended top-of-head coverage.

Comfortable cell foam on back of headgear.

Hard Hat Adapter Accessory

*Face shield offers secondary protection and **MUST** be worn with spectacles or goggles.

Bionic® Shield

Clear — Ideal for most indoor work applications

Shade 3.0 — Infra-dura® Welding shade for torch brazing operations

Shade 5.0 — Infra-dura® Welding shade for cutting operations
